FOOD SERVICE MANAGER NEEDED!!!

Full-time position reporting to Human Resources Manager. Excellent cooking experience and managerial skills are essential. Responsible for the overall day-to-day food service operation including cooking, training, scheduling, ordering supplies, managing kitchen staff, and all administrative tasks related to the Food Service department.

The ideal candidate should be able to deliver well-prepared and attractively presented meals to our beloved residents and guests on a daily basis. He/she must be able to: prepare all meals from established recipes; create weekly menus for all meals and prepare foods that are tasteful, balanced, and pleasant to the eye and in portions that are not wasteful. He/she also must be in good physical health to perform general duties such as lifting boxes, carrying trays, or tubs full of dishes.

The Food Service Manager must speak and read English for communication purposes to other staff or residents and be able to read recipes and menus. He/she should willingly seek/accept guidance from executive management, be self-directed and motivated, friendly and able to interact harmoniously with others, and able to delegate tasks to team members. He/she must also be aware of and able to ensure compliance with OSHA regulations and food safety standards. He/she must fully support the mission of Wide Horizon and maintain a collaborative, respectful working relationship with the Christian Science Nursing Department.

Basic computer skills are required for this position.

Salary commensurate with education and experience.
