

Dear AOCSN Members and Friends,

We are excited that our 2019 AOCSN Conference will be held in Boston in recognition of the 100th anniversary of the Chestnut Hill Benevolent Association this year! And we are grateful for your comments from last year's conference evaluations, and inspiration, and are including your input in our planning.

Again, this year's conference is 2 1/2 days and has been designed to provide us with a global perspective on Christian Science Nursing and strong metaphysical support for our healing ministries. As always, we will have networking time, some breakout sessions, as well as excellent speakers on topics you've requested. This will be an inspired investment in our future!
